CITY EXPRESS, INC. ANNOUNCES AWARD OF IMPROPER BOSTONIAN'S "BOSTON'S BEST COURIER SERVICE" FOR THE 4TH YEAR!

Boston, MA- July, 2008- City Express, Inc. is proud to announce that it has once again been rated as "Boston's Best Courier Service" by The Improper Bostonian! City Express, Boston's premier courier company, is a fourth time recipient of this award.

City Express president, Aaron Driben, attributes this award to City Express' commitment to providing exceptional rush delivery services, **24 hours a day - 365 days a year**, and the organization's ability to constantly evolve and adapt its operating model to meet ever-changing market climates and customer demand. Driben states, "A lot has changed in the courier industry in the past 20 years. When City Express was founded in 1989, our client based consisted of a large number of law firms and banks who relied on us to deliver time sensitive legal documents and checks. Over the years, the introduction of electronic information technology, including; faxes, emails, and electronic scanning of checks, has reduced this demand. Although demand for the delivery of "paper" has declined, City Express has been able to expand its service offerings to reach new growing markets. An example of this is City Express' medical courier division. Today, City Express has a dedicated team of couriers and professionals who specialize in hospital and laboratory deliveries. These professionals are trained in the handling of confidential records, blood borne pathogens, and laboratory specimen to ensure that time sensitive, critical deliveries are made safely and on time."

In addition to servicing new markets, City Express shows its commitment to meeting client demand by continuously investing in both their fleet and technology. City Express has recently expanded its fleet to include a trucking division to transport larger packages and freight. Furthermore, City Express recognizes the benefits of technology to the courier industry and is dedicated to utilizing technology, such as online order entry and electronic signature capture, to provide seamless delivery information to their customers.

For almost twenty years, City Express' loyal customer base has benefited from their exceptional service offerings. The Improper Bostonian describes City Express' services as "The fastest, most reliable delivery outfit in town."
